

Spice of Indian

Bringing you spices
**the way nature
made them**

About Us

Spice of Indian is a Kerala-based exporter of premium, organically grown Indian spices — sourced directly from the lush Western Ghats and trusted farmer networks. Founded with a vision to bring authentic Indian flavors to the global market, we specialize in delivering high-quality, sustainably produced spices that preserve India's rich culinary heritage.

Our Mission

To promote India's natural spice legacy by offering pure, organic, and ethically sourced spices that meet global food safety and certification standards, while ensuring fair trade and sustainable farming practices.

Our Vision

To be recognized globally as a trusted name for authentic, certified organic Indian spices known for purity, aroma, and quality.

Certifications & Compliance

- Certified by APEDA, NOP (USDA Organic), NPOP (India Organic), EU Organic, ISO 9001, and USFDA.
- Meets global export standards for purity, moisture, and grading.
